Tallahassee Museum Celebrates 50th Anniversary in 2007

Tallahassee, FL - In 1957 a group of visionary educators and interested citizens established a facility to educate children about nature, wildlife and the world around them, while also incorporating history and social sciences.

Now the Tallahassee Museum, its mission is to promote knowledge and understanding of the Big Bend's cultural history and natural environment, inspiring people to enrich their lives and build a better community. Join us as we take a walk through the 50 years of the Tallahassee Museum.
